AGENCY PLAN**

*Your Dog Club Insurance Specialists For Over 30 Years*

\* TDV (volunteer) members are covered for incidents caused by their dogs to others, with their individual homeowner's insurance as first payer for bodily injury/property damage then covered for any negligence for up to \$1,000,000, however all activities must be organized by the club.

\* Facilities TDV members visit in a volunteer capacity are only covered by being individually added to our policy for an additional fee of \$50 each

\* The TDV organization is covered for negligence resulting from third party bodily injury & property damage occurring up to a value of \$1,000,000

[As a point of clarification, our Certification Team (also volunteers) and are considered members as well. And apparently, like our traditional members, are not covered for bodily damage to themselves.]
