

Dear Community,

During this difficult time, TDV members are still able to provide different types of visits. For example, dogs and handlers can offer:

- Window visits
- Doggie parades
- Pen pal letters
- Virtual reading with a therapy dog
- Virtual visits with a therapy dog
- Outdoor (if allowed) and
- Funny dog photos.

**For those from facilities who would like to request a therapy dog visit**, please go the tab "Request a Therapy Dog Visits" here on the website if you are interested in a visit like one of the ones listed above. We are also open to other ideas (as long as they are safe for all involved and adhere to Covid-19 related guidance).

**For people who are interested in becoming a therapy dog team**, currently, we are not offering certification testing or clinics due to our state's restrictions. We will resume as soon as it is safe to do so. If you want to be notified when we start certification testing and clinics, please email [admins@therapydogs.org](mailto:admins@therapydogs.org)

We thank everyone—both those who are waiting to become certified therapy dog teams and those out there hoping for therapy dog visits—for your continued support.

Please check back here or on our Facebook page for updates.

Thank you,

Therapy Dogs of Vermont
