

The Woof!

MARCH 2019

Renewal double check: be sure your TDV team ID has a "19" sticker on it. You should have renewed by now. If it does not, the TDV insurance coverage does not apply. If you are in doubt, contact Craig Deslaurier at membersupport@therapydogs.org

Reminder: certified handler + certified dog + leash + bandana + ID = **a complete TDV team**. Without these together, they are a wonderful pet.
